INTRODUCTION

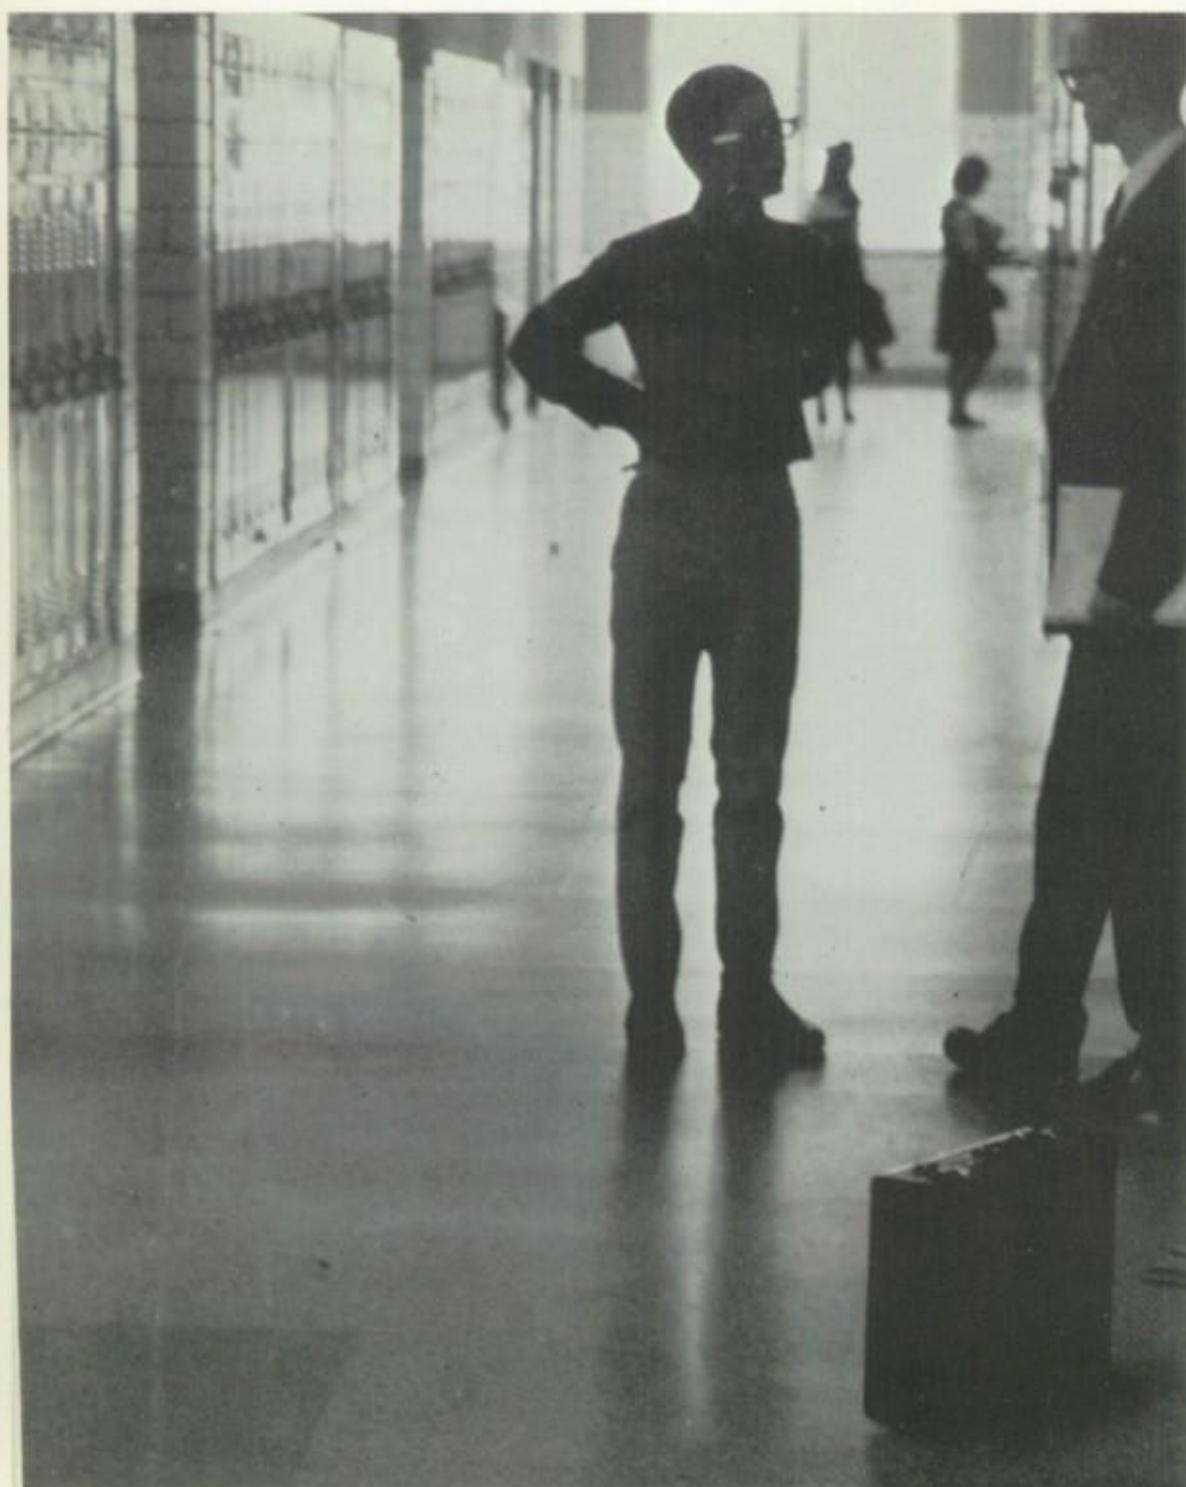

The senior class of '66 is gone but the "Spirit of '66" is here to stay. The "Spirit" was sophomores, juniors, and seniors working together to make Walter E. Stebbins High School outstanding in all areas of achievement.

Each class leaves a legacy of spirit to be perfected by the following years. In this eighth volume of the Batawat, we tried to show what a vital part each student plays in maintaining and perfecting school spirit. Now as our senior class leaves, and the "Spirit of '66" is no longer contemporary, but past history, we would like to dedicate this book to the classes of '67 and '68, hoping that they will continue to enrich the spirit of our Alma Mater.

A CHALLENGE TO THE GRADUATES

"You are now a graduate. What will you do with your life? Wherever you go or whatever you do, don't let yourself be called lost. Don't just sit down and charge the wreckage of the world to the older generation. Don't decide that the world owes you a living. Have enough spunk and sense and stamina to stand up and accept your problems, not as insurmountable barriers, but as challenges. The young person who gives up without a fight, who looks at a situation and decides it's hopeless, is a lost person. The ability to remain true to your character; to hold on to your ideals despite temptations; to be law abiding though others violate it; to pursue your purpose despite all obstacles and difficulties are all the secrets of greatness.

"Winston Churchill is credited with saying to the English people during World War II--'This is not the end, this is not even the beginning of the end, this is just the end of the beginning.'"

Mr. Orville Edmundson

The gains and accomplishments of a school year are best credited to a hard-working administration. Ideas cannot be developed, nor plans made reality, without the whole-hearted support of an active principal. Mr. Edmundson has put timeless effort and endless support into the "Spirit of '66." The only true tribute we can make to him is to be successful graduates. With this in mind, our goals are set.

SPORTS

G. A. A.

Surrounding their "ringleader" is a great group of gals whose effort, determination and spirit have added only words of praise for girls' sportsmanship here at Stebbins. It's just been within the last couple of years that G. A. A. has stepped out of the shadows and into the limelight of being an active, well-organized club.

Their success can be contributed to three main factors: a youthful imaginative advisor; dedicated and co-operative officers; and each individual member whose tireless energy is magnified in the value of the club. The Batawat staff would like to personally thank-you for helping make the "Spirit of '66".

Recipe for a Stebbinette

Combine....one energetic girl with a pair of boots, a pleated skirt, and a fuzzy hat.

Add....two aching feet, undaunted effort, a slight cold, and a bottle of bufferin.

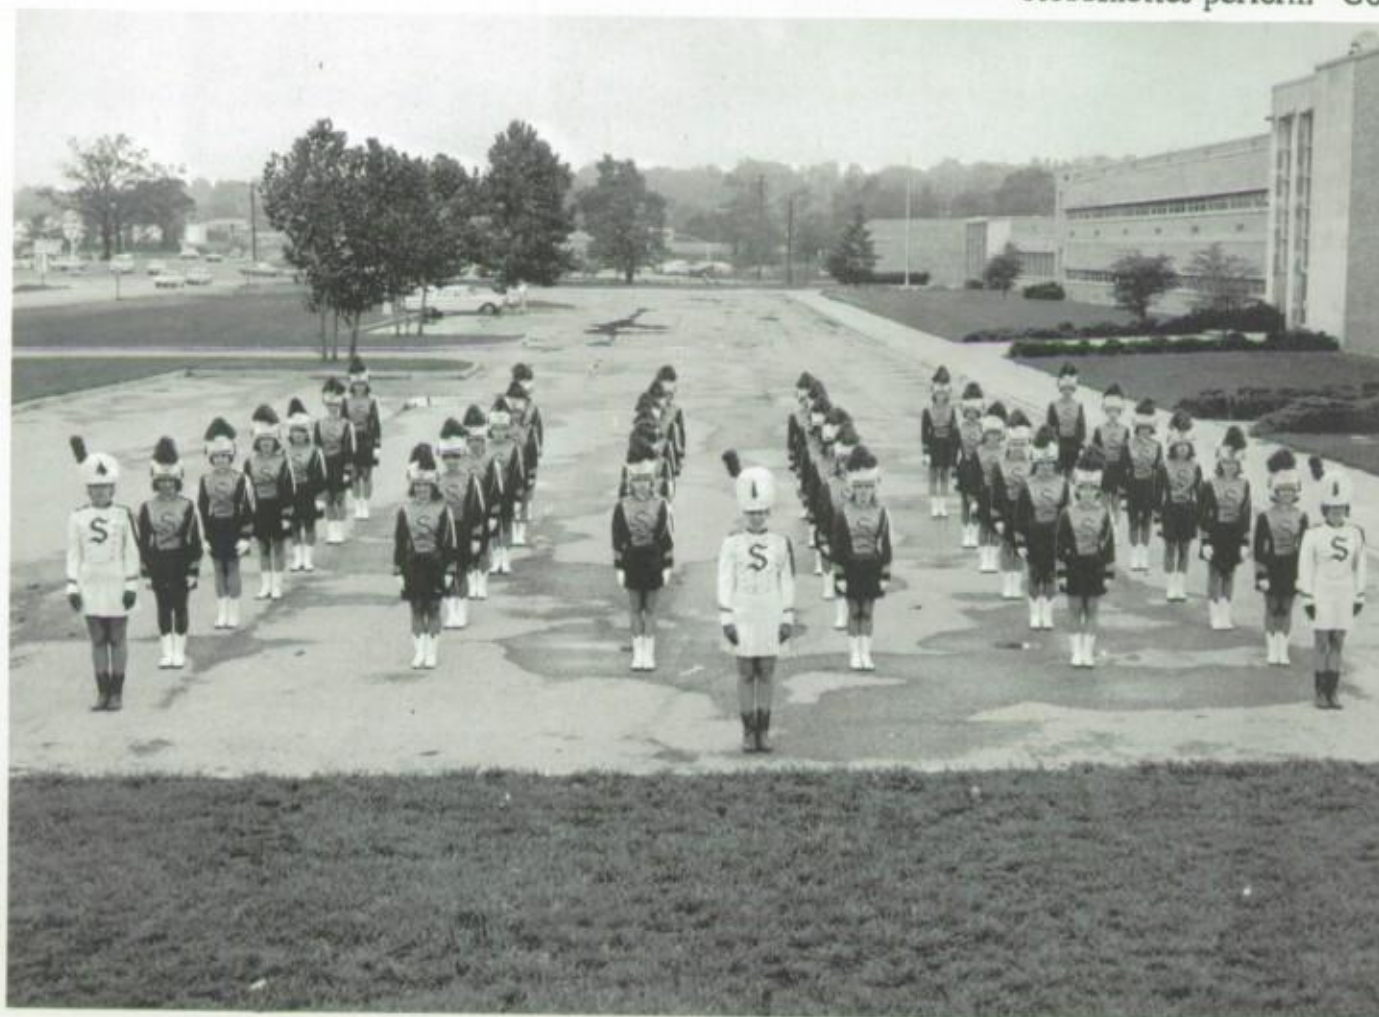

Sprinkle generously with spirit, top with devotion, add a dedicated advisor and FREEZE!

Hours of continuous practice make for precision marching.

W. E. S. MARCHING BAND

Under the careful direction of Mr. Ronald Meyers the band has been marching on to great success. To maintain interest and enthusiasm in such a large group is a hard job. Through the efforts of a hardworking Band-Parents Organization as well as the devotion of the members themselves the band has become a vital part of the "Spirit of '66."

The team was captained by senior, Mike McDonald with senior Bill Hagerty acting as Co-captain. Mr. Ronald Taylor coached the team of sophomores, juniors and seniors who did a fine job in honoring the name of Stebbins. ATHLETIC DIRECTOR

MR. ROBERT DEFELICE

Mr. Robert DeFelice, Stebbins Athletic Director, is the man behind all the scheduling and co-ordinating of Stebbins' athletic activities. A native of Pennsylvania, Mr. DeFelice has been here at Stebbins since September of 1958.

In 1963 he replaced Mr. John Hoke as Athletic Director. His versatility has won him respect as athletic director, coach, and teacher.

THE CLASS OF '66

Friends, Teachers, and Parents of the Class of '66.

Our generation has a song: "To everything there is a season, and a time for every purpose..." Our graduation marks the end of the first season of our lives and the beginning of a season in which we must learn that to everything there is a purpose.

What have you contributed to this first season? You have helped us begin to shape our lives. By being our friends, you have shown us the value of friendship. Through your teaching, you have taught us the worth of education. Through your guidance, you have prepared us to guide ourselves. You have made a contribution to our education, an education which will contribute to every phase of our lives. For this we say - Thank you.

Members of the Class of '66

This night marks the end of our high school experiences. We have attended the classes, participated in the activities and received the guidance which has led us to the end of the first season, the Spring of our lives. As we enter the other seasons of our lives, we leave something of ourselves in this school, and we take something of this school with us. So to you, Walter E. Stebbins High School, we say Thank you and farewell.

By: Beverly Strampfer
Class of 1966

Junior Marshalls - Joe Goddard and Carol Bennett led the processional for the graduates.

Bev Strampfer and Paul Smith shared the joint honor of being the top scholars in the class of '66.
